

Poster Activities

Les animaux

This poster offers a variety of activities which can be used to reinforce vocabulary, oral communication and written language. All activities work well individually, in small groups or as class discussions. Some suggestions include:

- Which animals are on the poster? (Ex. Je vois un cheval. Il y a un lapin.)
- What colours are the animals on the poster? (Ex. Je vois une grenouille bleue. Il y des oiseaux blancs.)
- How many animals of each kind are on the poster ? (Ex. Je vois trois lézards. Il y a cinq oiseaux.)

This poster also features one animal that is duplicated exactly and used twice. Can you and your class find it?

*A Lexique is also provided for this poster with supporting vocabulary.
